### The Cove

Nestled in the heart of Dade City, Florida, The Cove neighborhood is a shining testament to the transformative power of Habitat for Humanity. Through collective efforts, we are building a vibrant community where families can flourish and dreams take flight.

With affordable homeownership at its core, The Cove provides a safe and nurturing environment for families to thrive. From beautiful, energy-efficient homes to availability to shopping and employment, every aspect is designed to foster a sense of belonging and empowerment.

The first three homes in The Cove are being sponsored by Jim Browne Automotive Dade City, Withlacoochee River Electric Cooperative and First National Bank Pasco County. Lives are forever changed through community partnerships between Habitat and our sponsors.

Together, we're creating lasting impacts, one neighborhood at a time. Join us in celebrating the incredible community spirit of The Cove in Dade City, Florida!

## The Ridge Philosophy Group

Volunteers from the Philosophy group at The Ridge in Wesley Chapel came out to help paint at The Cove. Such a wonderful group of people, smiling even in the ferocious Florida heat. To find out more about volunteering at Habitat, contact [Melissa Parks](#)

## Williams Automotive

In this month's newsletter, we shine the spotlight on Williams Automotive, our incredible long-time volunteering group. With unwavering commitment and a shared vision for affordable housing, they have played a pivotal role in building homes, fostering communities, and empowering families in need.

From swinging hammers to painting walls, the Williams Automotive team has embraced the true spirit of giving back. Their dedication, skills, and passion have made a lasting impact on the lives of countless individuals, providing them with safe and stable homes they can call their own.

Join us in celebrating this dynamic partnership between Habitat for Humanity and Williams Automotive. Together, we are creating a brighter future, one home at a time.

**THANK YOU to the Dade City Kiwanis Club!**

For many years running, the Dade City Kiwanis Club has been a driving force behind our mission to provide affordable housing. We're thrilled to announce that their recent BBQ Chicken Dinner fundraiser raised an impressive \$3,180 in support of Habitat for Humanity!

Year after year, the Kiwanis Club has consistently rallied the community together for this mouthwatering event. Their commitment and unwavering dedication to our cause have made a profound impact on the lives of families in need.

We extend our heartfelt gratitude to the entire Dade City Kiwanis Club and every individual who contributed to the success of this fundraiser. Your generosity is building hope, transforming lives, and creating a brighter future for our community.

Together, we're making dreams come true, one delicious bite at a time!
