Berkshire Hathaway Volunteers

Employees from Berkshire Hathaway HomeServices, Florida Properties Group came out over two days to volunteer on the homes at The Cove. Many hands make light work and this group of enthusiasts folks painted an entire house! In spite of the heat, they managed to have a great time and helped another Pasco County family get one step closer to home ownership.

Make A Positive Conservation Impact

Your donation to the Habitat ReStore keeps usable items out of the landfills and funds the building of affordable homes in east and central Pasco County.
