Raising the Roof

Your support ensures that Habitat can continue to build affordable homes in Pasco County. Your help means that families in need of affordable housing can build and buy their own home. Having a safe place to call home means the world to Habitat families, who have struggled with finding housing which allows their families to flourish. If you have questions about how YOU can support Habitat, visit our website to find out more.

WELCOME HOME

Robert and Alma never dreamed they could ever be homeowners but one day, driving down Meridian Avenue, Robert saw the Habitat for Humanity sign and decided to stop in. After talking with Jere Ferguson, the Habitat Pasco Director of Family Services, Robert and Alma decided to apply. They give so much credit to Ferguson, who they say helped them every step of the way.

"Jere is so awesome," Robert said. "He explained everything to us and answered all our questions. Every step of the way, he helped us be successful."

Working side by side with volunteers was also something Robert and Alma say helped them succeed. "The volunteers worked so hard and were so friendly and helpful." Alma added. "We felt like they were God's blessings to us."

Robert and Alma closed on their affordable Habitat home on April 9th, 2021.
