The Cove

Work on The Cove is moving along at a fast clip! Future home buyer Mike Midolo has completed his sweat equity hours on his house. Mike is looking forward to buying his house and being able to really become a permanent part of the Dade City community, where he serves as a Dade City Police Officer. Work should be complete on Mike's home by the end of May. Look for news of his dedication!

Wiregrass High School SADD Club

Students from Wiregrass High School volunteered on a build site in April. These students worked hard to get a house at The Cove painted. What a great group! To find out more about volunteering at Habitat, contact [Melissa Parks](#)
