TWO DEDICATIONS

Christmas will be extra special this year for TWO new Habitat families! Monday December 20th nd Tuesday December 21st Habitat celebrated with in-person Dedication ceremonies. So much JOY contained in two special houses! Ashley Westberry and Jimmie Mitchell are new homeowners, just in time for Christmas.

Ashley Westberry and her son Tanner can't wait to celebrate Christmas in their new Habitat home. After living for almost two years in a tiny one bedroom apartment, Ashley couldn't stop smiling as she celebrated becoming a new homeowner.

Ashley commented during her dedication "Our current apartment has no doors, so the first thing I noticed when I came in here was door! door! door! I have doors!"

Jimmie Mitchell closed on her new Habitat home on December 21st, right after her dedication. The weather may have been a bit damp, but that didn't stop Jimmie's friends and family from joining her to celebrate her hard work and dedication. Praising God and thanking all those who gave her an opportunity to purchase an affordable home, Jimmie did a little happy dance while she cut the ribbon on her new home.
