Habitat Family News

Say "Hello!" to Kaylynn Rosado. Kaylynn and her three children are excited to see that the foundation of their new home on Buford Ave. has been poured!

Habitat continues to build during this time, with new guidelines are being enforced to keep all our volunteers safe. Wearing masks, socially distancing and washing hands continue to be our best defense against COVID-19.

Kaylynn is working on her sweat equity hours by helping out during fundraising events like the Kiwanis BBQ Chicken Dinner. Sweat Equity hours can be earned in a number ways, these are just examples:

- Construction work on their own home or another Habitat home
- Attending education programs and training sessions approved by Habitat
- Assisting at the Habitat ReStore or office
- Participating in fundraising activities and public speaking
