

BUILDING STRENGTH, STABILITY

hello  
NEW YEAR  
2022

AND SELF-RELIANCE

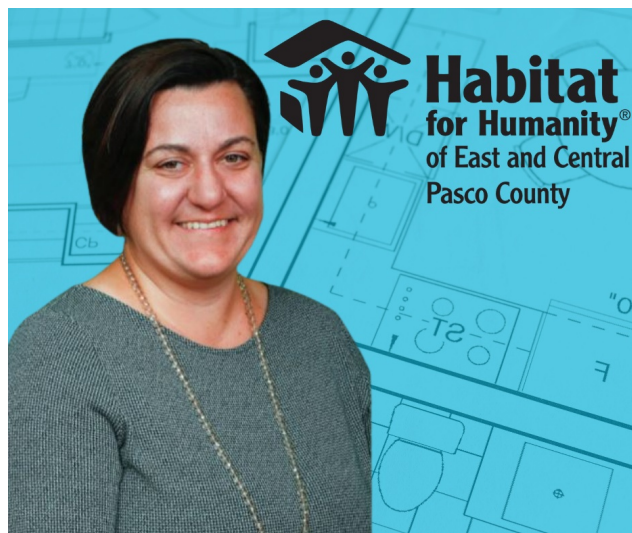

Coming soon - home dedications for for the Arnold and Rosado families.

## Raising the Roof

Your help means that families in need of affordable housing can build and buy their own home. Having a safe place to call home means the world to Habitat families, who have struggled with finding housing which allows their families to flourish. ## WELCOME THE NEW YEAR

Thank you for a successful year 2021! We are dedicated and ready to serve more Pasco County families in 2022.

Our construction team and RV Care-a-Vanners are wrapping the final homes on the

Buford Ave property. We are eager to welcome home the final families in this neighborhood. Look for a dedication coming soon!

In partnership with Pasco County Community Development and the City of Dade City, we will be breaking ground on 10 homes on Main Ave and Gilliam St. very soon. Building new affordable homes in this community is exciting and I hope you follow along as the vision becomes reality.

As many of you know, we are blessed to have a ReStore located in the generous community of Zephyrhills. We have been able to expand our store services to include donation deconstruction and delivery for our local customers. We have some big plans ahead and with your help we are looking forward to transforming the lives of many more Pasco County families in 2022!

Crystal Lazar, President/CEO

Wayne, Jayne and Matt Mooney began a project 15 years ago that blessed multiple Habitat families. Matt was a teenager, playing baseball with a young man whose family was in the process of building a Habitat home. Matt wanted to find a way he could help this family and found about the Cans for Habitat program. Cans for Habitat raises money to build houses for Habitat for Humanity by encouraging people to recycle their empty aluminum beverage cans. The Cans for Habitat program is organized and funded by the aluminum industry. In Pasco County, Pasco Recycling, Inc, owned by Colt Pennington's family, worked closely with the Mooney's to administer the program and make sure that the money got to Habitat for Humanity of East and Central Pasco County.

Over the years, Matt grew up, went to college and moved away but his parents continued to collect cans for Habitat. The program is finally coming to an end as Wayne and Jane move on to another chapter of their lives. In the 15 years since they started the program, in partnership with Pasco Recycling, Inc, they have donated \$41,181.08!!

Habitat of East and Central Pasco County is so grateful to the Mooney family and Pasco Recycling, Inc for their dedication to helping families in Pasco County build and buy an affordable home.

## DECONSTRUCTION TEAM

Find out how Habitat can help with your remodel!  
Call the Donation Hotline 813-395-6994 or  
email [restore@habitatpasco.org](mailto:restore@habitatpasco.org)

Habitat for Humanity ReStore's Deconstruction Program provides non-structural deconstruction services. Our team prepares you for the next phase of your remodeling project while you help your local Habitat. The Deconstruction Team salvages useable building materials from residential homes. The donated materials are sold in the Zephyrhills ReStore to raise funds for Habitat for Humanity of East and Central Pasco County to build affordable housing in your community. Deconstruction also keeps useable items out of the landfill.

## YOU CAN MAKE A DIFFERENCE

Your gift to Habitat for Humanity of East and Central Pasco County makes opportunities like this happen right here in your community. Due to the pandemic, building costs have risen almost 30% over costs during the pandemic. Your support is needed to continue to build for families in need of affordable housing.
