

## Raising the Roof

Your help means that families in need of affordable housing can build and buy their own home. Having a safe place to call home means the world to Habitat families, who have struggled with finding housing which allows their families to flourish. ## Home Buyer Spotlight

Meet future homebuyer Ashley Westberry. Ashley and her son will be moving into their new Habitat home in the fall. They are currently living in a small one bedroom apartment. It's cramped but Ashley looks on the bright side.

"When my son and I feel like the apartment is crushing us, I try to remember that this is just temporary until our Habitat home is complete." Ashley said. "I am so proud of myself. I have worked really hard to be in this position and I can't wait to hold the key to my own home in my hand."
