Habitat Family News

Christmas in your new home is a rite of passage, one denied to many families in our community. Your support of Habitat Pasco is making Christmas possible for six families this year.

2020 may have been the strangest year we have ever experienced but your donations have allowed Habitat to continue to build, in spite of COVID shutdowns.

The Gude family, the Harris family, the Quarles, the Knapp family, the Gatz and Ranson families are celebrating their first Christmas in their new, affordable Habitat home. As they gather around their tables for holiday celebrations, they celebrate a decent and affordable place to call home.

Everyone deserves a decent place to live, and everyone can do something today to make that possible for another family.

Giving Tuesday Success

GivingTuesday is a global generosity movement that unleashes the power of people and organizations to transform their communities and their world.

GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. Over the past seven years, this idea has grown

into a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

Every donor on Giving Tuesday had their name and an encouraging message put on a stud which will become part of the framing on a Habitat home for the Rosado or Arnold family.

For a \$100 donation, a stud was dropped off at Advent Health, Central Pasco Realtor Organization, Kia of Wesley Chapel and Lexus of Wesley Chapel and Toyota of Wesley Chapel. These Habitat supporters will ask employees and customers to sign the stud with messages of hope. Habitat will pick up the completed stud and include it in the framing of the Arnold or Rosado home.

While Habitat raised over \$1700 on Giving Tuesday, it fell short of the \$5,000 goal. Any donation made during December will be added to the goal and a message included on a stud. If you or your business would like a stud dropped off, contact Melissa at mparks@habitatpasco.org.
